310 mln UAH
budget

As of the end of 2025

CENTRALIZED CAPITAL INVESTMENT MANAGEMENT SYSTEM — MOH-CAPEX

MINISTRY
OF HEALTH
OF UKRAINE

World Health
Organization
Ukraine

End-to-end monitoring of healthcare infrastructure projects

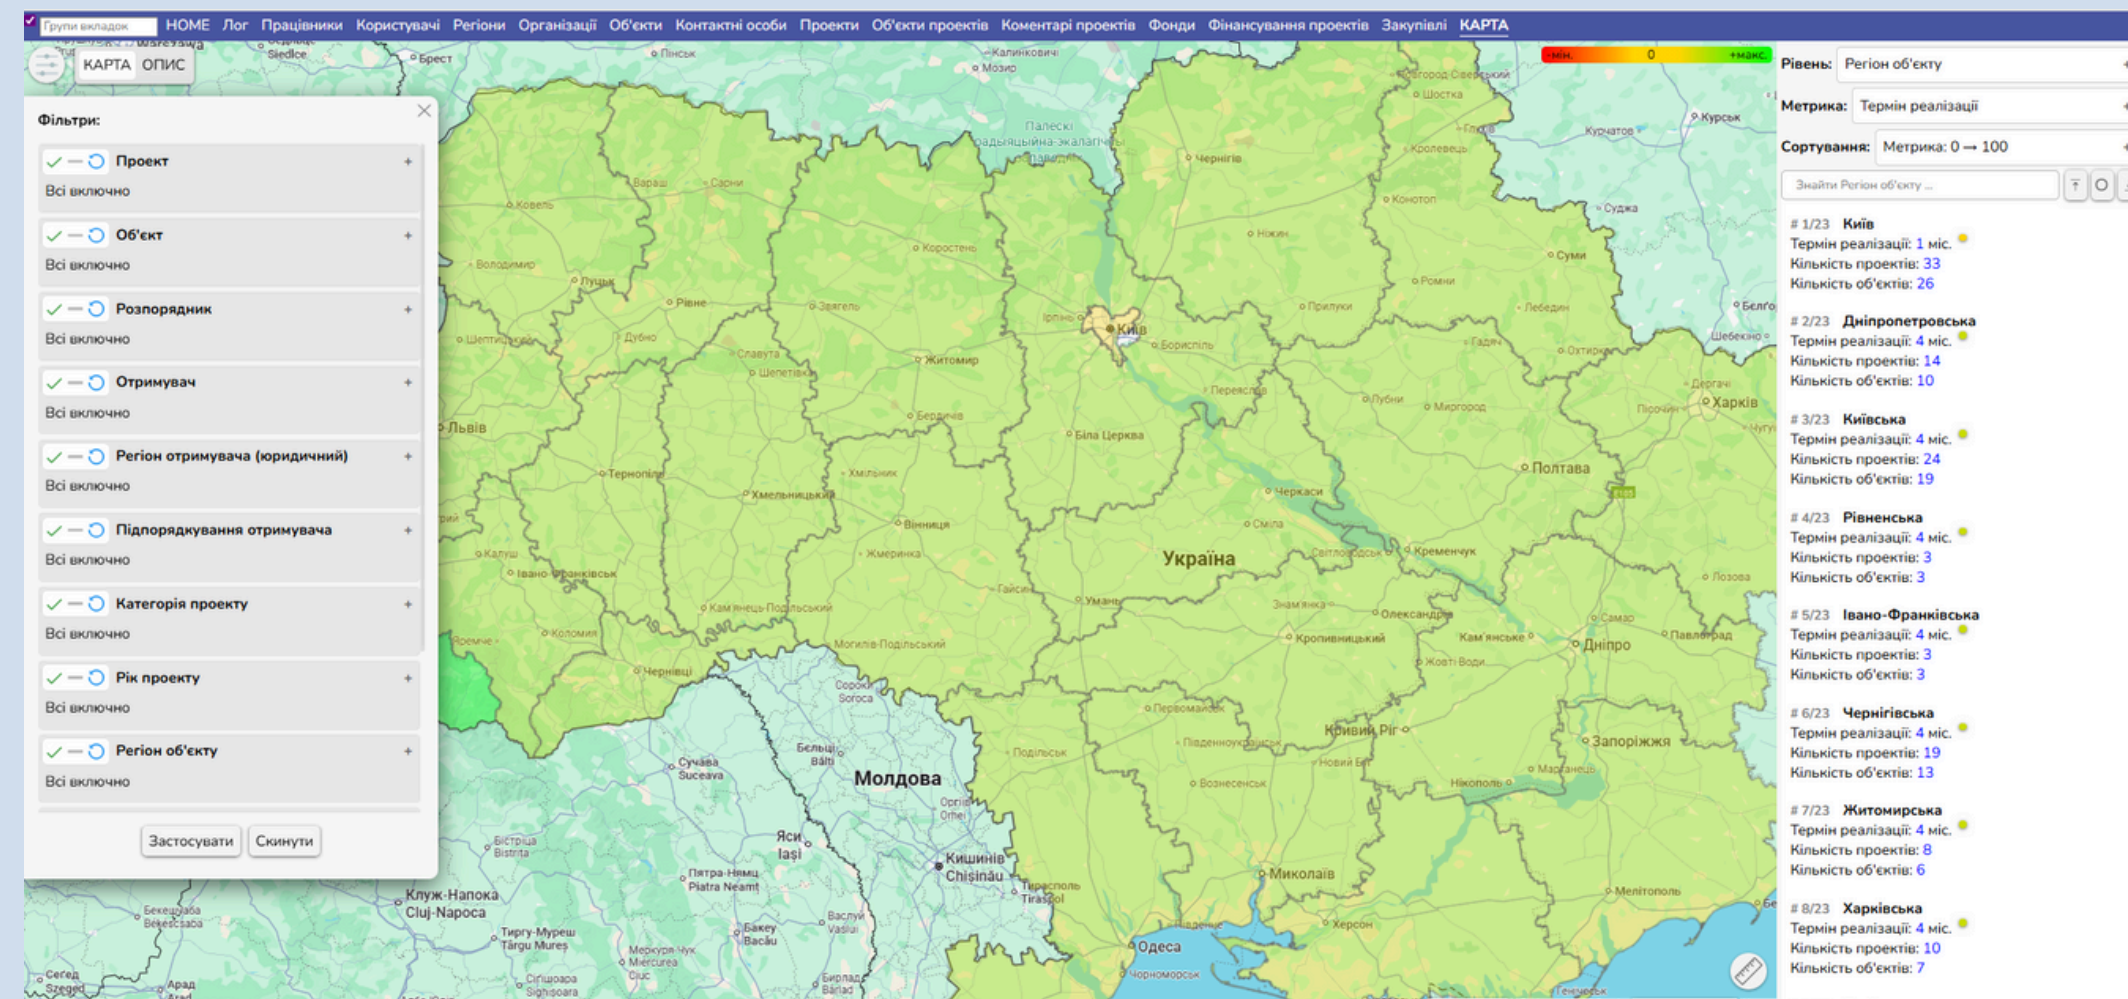

VALUE OF MOH-CAPEX

- Transparency of public and non-budgetary funds
- End-to-end monitoring of project implementation
- Real-time access to up-to-date information
- Analytics to support informed decision-making

CORE FUNCTIONALITY

- Storage of structured data for each project:
 - activities
 - implementation timelines
 - funding sources
- Upload of photo and video evidence as documentary confirmation
- Formation of reports
- Interactive map

PLANS

- System expansion at the regional level
- Development of advanced analytical tools
- Integration with external systems and data sources

PUBLIC INVESTMENT PROJECTS FUNDING – 2026

10.5 bln UAH
Total Funding

Project Area	Funding (€ th.)	% of Total
